Education

McMaster University, *Bachelor of Health Sciences (Honours)*. 2016-2020

Cumulative GPA of 3.96/4.0. Significant experience in the fields of biology, chemistry, and health.

Ontario Secondary School Diploma, *Waterloo Collegiate Institute, With Honours*. 2012-2016

Achieved a university admission average of 98%. Received school's top recognition, the Award of Honour for "excellence in academics, athletics, and activities."

Work Experience

Paid

General Contractor, *Private Customers*, Port Albert, Guelph. Summers 2014-2016

Spent the summers working in construction. Collaborated as part of a team to accomplish complicated, result-oriented tasks in a timely and organized fashion.

Volunteer

Multi-Department Volunteer, *Grand River Hospital*, Kitchener. 2014-present

Worked as the first line of contact with visitors to the hospital, providing information and assistance to both families and patients. Used the hospital patient information system to obtain important information while maintaining confidentiality. Volunteered in the emergency department to provide swift assistance in intense situations.

Web Designer and Developer, *Centennial CVI*, Guelph. 2014-2015

Worked together with school staff to create and maintain a website for the varsity hockey team. Applied considerable computer knowledge and programming abilities.

Leadership and Extracurriculars

Health Sciences Welcome Week Representative, *McMaster University*. 2017

Was selected to be a 2017 faculty representative, assisting in running welcome week and ensuring a smooth transition for new university students.

Club Member and Competitor, *HOSA McMaster*. 2016-present

Trained to compete in a healthcare-oriented skill-development competition. Qualified for the 2017 International Leadership Conference in Orlando, FL.

Leader of Science Club, *Waterloo CI*. 2014-2016

Worked as head of the club to organize recruitment, meetings, teacher involvement, and activities.

Trivia Club Communications Director, *Waterloo CI*. 2014-2016

Directed recruitment for the club and communicated with approximately 40 members about practices, tournaments, and general logistics.

Notable Achievements

- Placed 10th in Canada in the 2016 National Biology Competition (>3300 participants). Awarded a \$3000 Scholarship and cash prize.
- Achieved perfect scores of '5' on Biology, Chemistry, and English AP Exams.
